# Keeping calm, carrying on

## With God's help, and yours, Southeastern rises to challenges

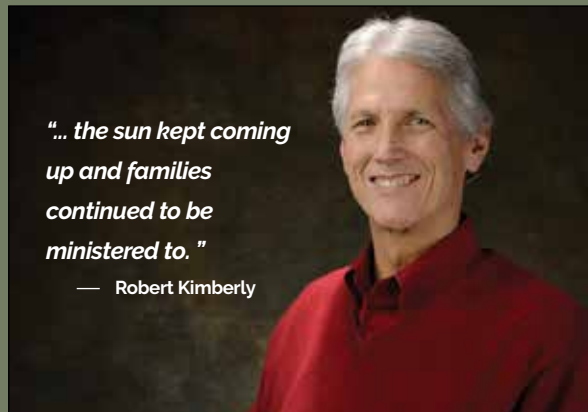

By **ROBERT KIMBERLY**  
*Executive Director*

Last year was challenging for many children and families worldwide – 2020 will forever be remembered. Southeastern Children's Home is no exception – our own children and staff experienced a difficult year as well. We had to adapt and adjust the same as everyone else.

Our children stopped attending school in the spring. We hired several tutors to come in and help them keep up with schoolwork. The children's recreational activities outside of SECH came to a halt. Our offices were closed to the general public. Our staff went on a staggered office schedule, working some days in the office and some from their homes. Counseling for the kids had to be done carefully - some in person and others virtually. Church services were done on campus, each in their own cottages, in order to protect everyone.

However, the sun kept coming up and families continued to be ministered to. While diligently being careful, we continued accepting children needing a home and provided Christian counseling to those who desperately needed it. Our children were able to keep up in school and the Lord continued to be glorified.

I want to thank each of you who committed in supporting our ministry, even during this challenging time. Certainly, we

continue to face challenges as the virus is active still in this year of 2021. But we believe that God's call remains on us to serve the less fortunate, and because of your kind gifts, we are able to continue in service.

In closing, I have announced my retirement to the board for 2022. It has been a privilege to serve for over 31 years at the helm of this ministry. Southeastern Children's Home will continue to fulfill our mission of serving the broken, hurting, and less fortunate children. This ministry is strong and will continue to do God's will for many years to come. Thank you for your support, and I pray you will continue to bless SECH for a long time.

Sincerely,

*Robert*

## Destroyed by storm, Green House pergola beautifully restored

Thank you to the Gold Hill Road Church of Christ. A group of volunteers, led by Ron Shepard and Josh Buchanan, rebuilt a pergola at The Green House.

A storm had destroyed the pergola.

# Logan looks ahead

*Logan is smart and he's looking forward to the future. When you hear him talk, you think he might be a young Mike Rowe, because he wants to pursue a future without the debt some incur when they go to college. He's very interested in cars and wants to work as a mechanic one day. We are proud of the progress Logan has made and we look forward to seeing what God Has in store for him.*

# Spirits refreshed at

## Advice from the Ocean

*Be shore of yourself. Come out of your shell.  
Take time to relax and coast.  
Avoid pier pressure.  
Sea life's beauty. Don't get tide down.  
Make waves!*

– Author unknown –

So much of life has had to stop this year. Everything has been a bit up in the air. That was the situation as we contemplated this year's SECH beach trip. The Board of Directors decided we would go and made sure to provide the needed resource. The drive commenced; the adventure was underway...

A week at the beach has a rhythm, much like the tide rolling in and out each day. Each day everyone would eat breakfast and head to the beach! They would return to clean up and have lunch followed by afternoon activities.

Afternoon fare included pool or beach time, playing in the sand, and hunting starfish for little ones. A trip to the Water Park is fun for all. A visit to the Aquarium, Putt-Putt golf, and even Axe Throwing (a big favorite). Some seemed to spend more time on Go Carts than in the water. These resulted in a fun time of togetherness free of drama.

Devotionals focused on stories of the lost and found. These stories drove home

# Seeing the need ...

## By CURT HARBUCK

My name is Curt Harbuck and I am new to Southeastern Children's Home. 2020 has certainly been an interesting year. We have seen pandemic, political bluster, and civil unrest. Through it all, each of us has continued to live our lives and do our best and the children in our care have been thriving and rising above the added challenges.

I have been involved with the work of SECH in a limited way as a supporter and friend. For decades, I served as a weekly camp director for Palmetto Bible Camp,

an organization that has traditionally been attended by the SECH children each summer. In this capacity, I have grown to love and appreciate the efforts to serve these young people, these children that others are unequipped to serve. Recently I phoned Robert and said I wanted to do more and join the cause. I am reminded of a quote attributed to Mr. Rogers:

*"We live in a world in which we need to share responsibility. It's easy to say "it's not my child, not my community, not my world, not my problem. Then there are those who see the need and respond..."*

# water's edge

spiritual lessons about the value that God places on each of us, his children. A memorable story, a family had gone to the beach and their very young child wandered away. The group thoroughly searched the area where the child had been playing. At the same time, the Dad of the child took off in search of the girl. It took close to fifteen long minutes, but the child was found. As it turned out

a vacationing minister spotted the young girl in arm swimmy floats. He followed her at a distance and guarded her, without her knowledge. God does the same for us. He will seek us out when we seem lost. He will find us and save us.

*God does not give up on us.*

# United we stand

... when you give to SECH through an employer, United Way

By PHILIP MURPHY

Southeastern Children's Home is listed as a certified charity with most United Way county organizations. If you want to give to Southeastern Children's Home through United Way, **please be sure to specifically designate Southeastern Children's Home as your charity of choice.** This designation often requires some additional paperwork, but it's extremely helpful to SECH.

If you have questions about your specific United Way giving program, please feel free to contact us, or check with your local United Way representative.

Also, many employers offer a gift matching program. If your employer has a gift matching program, please consider naming Southeastern Children's Home as the designated recipient. Gift matching programs are a great way to multiply your gift to a great charity!

# and responding

My role at SECH is new to me. Professionally, I have had a long career as a Systems Analyst. My new role is the Director of Development. In a job like that you expect to be involved in fund-raising and I expect to do that. In many ways, I hope to spend my time maintaining and developing the relationships that make our work possible. Towards that end, I will be working to learn how we can work together to ensure that Southeastern Children's Home is a secure, reliable, and fiscally sound place for strengthening children and their families for years to come.

We are so thankful to all who make our work possible. Those of you who regularly give money, we thank you. Those who donate your time and your treasure, we thank you. Those of you who kneel in prayer over our children, we thank you. You have been faithful.

As challenging as 2020 was, it was quite rewarding for me to join you in the ministry of Southeastern Children's Home! I look forward to the end of this time of trouble and pandemic. Better days lie ahead. I am excited about the work that is to come.
